Johnson Receives HEA Award

Sandi Johnson, secretary to the Boone Campus counselors, was the recipient of the DMACC Higher Education Award the week of April 1, 1985. HEA President Harriet Custer presented the plaque to Sandi Monday, April 1 at the Boone Campus.

Sandi was cited for her dedication and contribution to the Boone Campus and college as a whole and for her generous support of faculty and students.

enjoyment?

For one thing, she's a photography buff, having garnered some of her picture-taking skills from Bob Person's photography classes. For another, she likes arts and crafts and practices in these areas as often as she can. Also, she writes verses and in February, she coached her first girls' basketball team.

Sandi's athletic interests often run parallel to those of her husband, Harold, Boone Campus's athletic

director, and to those of her daughter Angie, 13, and her son Chad, 14.

Sandi collects bears; her current collection numbers 40. (If you haven't seen her "Bear soft art" in Kriss Philip's office, poke your head in and see how talented she is in arts and crafts.)

The Bear facts staff offers Sandi a hearty congratulations on her achievement!

Graduation is Tuesday, May 7

By ROB HOOK

Graduation exercises at Boone Campus will be held Tuesday, May 7 to 10 a.m. in the DMACC-Boone Campus gym.

The guest speaker is Clair Abbott, Dean Emeritus.

Approximately 200 students will graduate.

The order of ceremonies includes the National Anthem by Tim Johnson and Daryl Tellinghuisen, soloists.

Following the welcome, Dr. Joseph Borgen, DMACC president, will introduce the platform guests.

Abbott will then give his message, and announce special awards to the students.

Boone Campus Dean Kriss Philips will then introduce the Class of 1985, with Lloyd Courter, board member, presenting the diplomas.

Rev. William McAlpine will deliver the benediction.

Areas of graduation will include a degree in associate in arts, associate in science, associate in applied science, bookkeeping, accounting, secretarial, clerical, information word processing, and executive assistant.

Associates in arts and sciences include recreational leadership, business computers an science technology, while applied science covers the nursing department.

"If anybody knows about Boone Campus, it's sure to be Sandi Johnson!" The speaker: a regular Boone Campus student. The subject: Sandi Johnson, Boone Campus's answer to "Someone You Can Always Count On."

Sandi first came to Boone Campus to watch ball games. At the time she had accumulated one year of college credits at Iowa State and was working in the Audio-Visual Department at ISU. On a chance visit the main office of what was then Boone Junior College, Sandi noted the need for more office personnel, and she indicated her interest in working at the College. Shortly thereafter, she took a full-time office job at Boone Junior College and began to take accounting classes here. She earned her Associate of Arts Degree from Boone Campus in 1972.

In her years with the College, Sandi has worked with the business manager, with the campus Dean, and with the campus counselors, her current position.

Sandi likes least the short deadlines which she must meet. If she could, Sandi would have "more contact with her counterparts at the other campuses."

Professionally, Sandi has been active in the Boone Soroptimist Club, having served as its president in 1983-84 and as the group's Junior Miss Chair in 1984. She was instrumental in starting the Boone Community Concert Association. She taught Sunday School in her church for eight years, and she continues to sing in the church choir.

Volunteers Sought for N.Y. Projects

The Council on International Educational Exchange, one of the nation's foremost organizations concerned with international education and student travel, announces recruitment for its second annual youth volunteer service project on Liberty and Ellis Islands, New York.

Scheduled to begin in June, the program unites young people from around the world in a project that combines voluntary service in the refurbishing and restoration of Ellis Island and the Statue of Liberty, cultural exchange and interaction with ethnic communities of New York City to explore the American immigrant experience.

According to Gina Chase, associate director, voluntary service, for the Council, this is the only program of its kind that involves youth from the U.S. and abroad in the ongoing restoration work of New York's Ellis and Liberty Islands.

"Last summer, we sponsored 100 volunteers from 11 countries and 20 states. Working under the aegis of the National Park Service, which maintains both islands, the young volunteers handled a variety of chores from groundskeeping to general clean-up. These internationalists have established a tradition of service that we are proud to continue this year," Chase says.

Drawing on the cultural richness of

New York City, the program also offers volunteers the opportunity to assist ethnic communities with neighborhood projects, to attend discussions with community leaders on local issues, and to relax as guests of honor at youth center barbecues, at a Yankee baseball game and at a Broadway show.

Young Americans, who are at least 16 years of age, may apply for one of three program sessions scheduled this summer: June 16 - July 6; July 14 - August 3 and August 11-31. An application form, available from the Council, must be accompanied by a 100 word essay describing the applicant's interest in participating, a personal reference, and payment of the \$100 program fee which is fully refundable if the Council is unable to make a placement.

Participants are responsible for their own transportation expenses to and from New York. However, all costs involved in the daily activities of the three-week program, including food and lodging, are borne by the Council.

To obtain additional information on Council's volunteer service project on Ellis and Liberty Islands, or for an application form, write to: Gina Chase, Associate Director, Voluntary Service, Council on International Educational Exchange, 205 East 42nd Street, New York, NY 10017.

Parking Rules Are Enforced

All Boone Campus students, employees and campus guests should take note that all areas designated as "no parking" in the fire lanes will be stringently enforced.

All vehicles parked in the areas clearly marked "fire lane" are subject to being towed away at the owner's expense at anytime, day or night, according to Kriss Phillips, dean, Boone Campus.

"The Boone police will help regulate this parking situation," Phillips said.

He added everyone's cooperation in this situation will alleviate any possibility of blocking access to the buildings in an emergency situation.

Vehicles can be retrieved at Vern Condon's Getty Service Station at Mamie Eisenhower and Story Streets.

Student Senate Takes Trip

Four Student Senate members took a trip to Worlds of Fun Saturday, April 20 and Sunday, April 21 in Kansas City, Missouri.

Tim Johnson, John Courter, Alan Slight and Lisa Howard were the only members of the senate that made the trip and commented the others "really missed out."

Holiday Inn provided the rooms which were conveniently located across from Worlds of Fun. The tickets were provided free of charge by DMACC, with each ticket costing \$14.

The members brought back lots of stuffed animals and baseball caps which were won by playing ski ball.

The trip was planned a month ago when a suggestion was brought up at one of the senate meetings. The members thought they should be rewarded in some way for their year of service on the senate.

Tim Johnson, president of the senate, said "A great time was had by all!"

Register for Classes Now!

Students returning to Boone Campus next fall are encouraged to complete their course planning as soon as possible, although schedule planning is available on a continuing basis from now until fall semester, Rich Finnstad, counselor, said.

Tentative Fall 1985 Schedules are

now available in the office.

Finnstad urges students to speak to their advisors for suggestions or to answer any questions they may have.

Fall registration will be conducted Monday, July 22 - Friday, Aug 30.

Fall classes begin Tuesday, Sept. 3, 1985.

Secretarial Classes take Trip

The DMACC Boone Campus accounting, bookkeeping, and secretarial classes took a field trip to Des Moines to the Farm Bureau Insurance Company, and to the Iowa State Capitol Building Wednesday,

March 27.

The students toured the secretarial and accounting departments at the insurance agency, and ate lunch at their cafeteria.

After lunch, the group traveled on

to the State Capital, where they met Dick Johnson, state auditor.

Johnson explained the job of auditor, and gave the students insight into accounting and secretarial jobs from a governmental perspective.

Comments From The Dean

The 1984-85 school year will soon be history.

Boone Campus instructors and support staff have provided 700+ students an opportunity for quality education.

I realize many of you will not be returning next year as you have completed your education on the Boone Campus. Many of you will transfer to Iowa State University or some other four year institution or will seek employment using the educational skills you have acquired on the Boone Campus.

I sincerely hope that you will be successful in whatever endeavor you pursue and I strongly encourage you to come back to the Boone Campus and visit.

Many students, however, will re-enroll this summer and next fall and we are glad you are continuing your education at Boone Campus.

From my prospective this year has been very rewarding as I observe students preparing for their future.

Financial Assistant Available Through Boone Campus

Assistance with financial aid planning is available to prospective students, high school seniors, their families and others planning to attend college in the fall, according to Rich Finnestad, coordinator of student life at DMACC — Boone Campus.

Early application during the period of January through May or June is the best possible time to apply for financial aid at DMACC. However, no deadline is set and applications can be made any time during the entire school year.

The Boone Campus offers financial aid advising and information about financial aid resources and planning for post secondary education to high school seniors and their families, other prospective students and to students presently enrolled, in the following ways:

—To acquaint students with new educational options that they may not be able to afford on their own.

—To acquaint students with the process of seeking financial

assistance.

—To act as a source for financial aid information.

Students applying for financial aid for September, 1985 need to file the family financial statement (FFS) at their earliest convenience. The FFS is the application form used by DMACC and the Federal Aid program and, when applicable, for the State of Iowa Scholarship and the Iowa Vocational Technical Tuition Grant Program.

Approximately 60 percent of the 1984-85 freshmen class received financial aid from all sources, including foundation and organization scholarships, federal and state sources. This percentage could increase a great deal for the 1985-86 school year. Awards in the form of scholarships, grants, loans and work study are available to qualified students.

Questions on financial aid can be directed to the Boone Campus by calling 432-7203. Applications are available upon request.

Chuck Koncher

Boone Campus has new Custodian

By SUSAN HORSTMAN

Boone Campus welcomes Chuck Koncher and Doug Peterson to the custodial staff.

Koncher is a construction worker and a cement finisher. He and his family are residents of Boone.

Koncher comments his work at DMACC is very different than what he's used to, but that he enjoys it very much.

"The students and faculty are really nice," he said.

Peterson is a 1982 Boone High School graduate. He was formerly employed at Gates.

He enjoys riding motorcycles and likes seeing some of his old friends at Boone Campus.

Eight PBL Members Place In Contest

By FELICIA MURILLO

Fifteen students from DMACC's Phi Beta Lambda chapter competed against other students March 29 and 30 at a business contest held at the University of Northern Iowa. Students from eleven other communities and four year colleges participated.

Phi Beta Lambda was pleased as eight of their members came home winners.

Brenda Murken placed first in the administrative assistant—secretary event. She now has the opportunity to compete this summer in the National conference held in Houston, Texas.

Placing second were Vicki Mechura in the job interview, Rhonda Muessigmann in the support personnel—secretary went, and Marlys Anderson in word processing—machine transcription.

Third places were awarded to Karen Anderson in the support personnel—typist event and Marlys Anderson in the administrative assistant—typist.

Alan Swanson placed fourth in data processing II.

PBL sponsor Becky Hartstack commented the conference was fun and rewarding for everyone.

Best Ranch Company operates from Campus

The Boone Campus Typing for Accountants class is trying something new this semester!

They are taking on roles of different occupations in their fields of interest.

The purpose of this activity is to help students gain insight and knowledge in office procedures. The class has united to form a company, known as the Best Ranch Company, which includes the roles of superintendent, copying, supplies, social chairman, and bulletin boards.

Each student is expected to be on time, just as a real job requiring and attendance is also important.

The group even gets a short coffee break every Friday, to make the project more realistic.

So far, the class has held a Bunny Hop to make money for this project and they are also planning on having a company picnic in the near future.

The class is instructed by Tim Orr.

Over 260 students compete

Campus Business Contest Held

By FELICIA MURILLO

The Boone Campus business and math departments hosted over 260 area high school students in the Phi Beta Lambda Career Workshop Thursday, April 18. The workshop was sponsored by the Omicron Zeta chapter of Phi Beta Lambda, which is the college division of the Future Business Leaders of America.

Nevada High School was awarded the trophy for accumulating the most points based on the results of the contest, for the third straight year.

Dianne Martin, advisor for the Nevada students, accepted the trophy and floral arrangement from Marlys Anderson, president of the Boone Campus chapter of PBL.

The tests administered to the students were designed by Boone Campus students who also graded

and scored the results under the supervision of their advisors.

The contest divisions included beginning and advanced typing, beginning and advanced shorthand, bookkeeping I and II, business calculators and business math.

The results were announced at an awards assembly at 1:15 p.m. in the college auditorium, after a noon dinner prepared by the Boone County Port Producers and provided by DMACC, PBL and the student senate.

At the assembly, Sue Bartine, former PBL president, presented a speech about the three E's—enthusiasm, effort and education.

The following 16 high schools attended the workshop: Ames,

Bayard, Boone, Central Dallas, Coon Rapids, Gilbert, Grand, Jefferson, Nevada, North Polk, Ogden, Perry, Rockwell City, Scraton, South Hamilton and United.

Awards were presented as follows: Advanced typing presented by Vicky Mechura, Micky Dunkelberger, Ogden, first; Denis Johnson, Nevada, second; Cindy Robertson, Nevada, third; Jyll Angus, Ames, fourth and Angie Dudly, Boone, fifth.

Beginning typing, presented by Rhonda Black, Tara Songer, Ames, first; Michelle Glaug, North Polk, second; Kirie Draper, Gilbert, third; Ann McCullough, Boone, fourth and Robin Weber, Boone, fifth.

Advanced shorthand, presented by Karen Anderson, Denise Johnson, Nevada, first; Cathy Carsrud, Nevada, second; Jo Ann Casotti, Boone, third; Julie Richards, Boone, fourth and Wendy Sinkuler, Jefferson, fifth.

Beginning shorthand, presented by Elaine Aldrich, Jill Croft, United, first; Britta Hollingsworth, United, second; Lynne Donnelson, Ogden, third; Richenda Crouch, Ogden, fourth and Denelle Hintz, Jefferson, fifth.

Bookkeeping I, presented by Tamara Johns, Alan Junk, Ogden, first; Steve Fairbairn, Jefferson, second; James Proctor, Jefferson, third; Lisa Stotts, Jefferson, fourth, and Jill Judge, United, fifth.

Bookkeeping II, presented by Tamara Johns, Kari Roney, South Hamilton, first; Melissa Holst, Perry, second; Shane Greenwood, Perry, third; Rhonda Sanford, South Hamilton, fourth and Amy Rowland, Jefferson, fifth.

Business Calculators, presented by Tracey Nelson, Penney Wilson, Perry, first; Jyll Angus, Ames, second; Shane Greenwood, Perry, third; Rhonda Sanford, South Hamilton, fourth and Lisa Stratton, Nevada, fifth.

Business mathematics, presented by Lori Miller, Lisa Stotts, Jefferson, first; Sue Ellen Quam, South Hamilton, second; Mike Brandmyer, United, third; Annette Headlee, Coon Rapids, fourth and Rene McLean, North Polk, fifth.

Spring Fling Was A Blast!

Let's go!

Glenda Dearborn and Madge Clark get excited about SpringFling softball.

By FELICIA MURILLO

Some summer fun got underway Wednesday, April 24 when the Boone Campus Student Senate put together a day of fun filled activities which proved to be lots of fun, especially for Roger Glisson's team, which was treated to steaks after the contests.

Each team entering competed in seven events, including volleyball, tennis, Frisbee gold, miniture gold and a free throw contest. All members of the participating teams played a game of softball and six members were entered in the finale of tug-of-war. Each team earned a specific amount of points for each place won.

Winner of the volleyball contest was Doug Steig's team with Larry Hughes' team placing first in the tennis tournament.

Tim Johnson's team edged out Larry Hughes' team in miniture golf, while Andie Hughes and Rod Martin won the free throw contest by one basket.

Brain Cornish's team proved to be the champions in the softball games and Tim Johnson's team took a win in tug-of-war.

Roger Glisson's team came out on top in the Spring Fling competition.

DMACC Sponsors Chicago Trip

The Alumni Association is sponsoring a trip to the ball game, the Chicago Cubs vs. the St. Louis Cardinals ball game, that is, June 14.

The group will leave for Chicago from the Ankeny Campus at 7 a.m. sharp on Fri., June 14, via restroom equipped motor coach. The group will go directly to the game. After the game they will check into the

Holiday Inn Holidome. They will return to Ankeny Sat., June 15 at 10:30 a.m.

Cost of the trip is \$75. The package includes reserved seat at the game, one night's lodging and transportation.

For more information or to make reservations, call Mary Lonsdale, ext. 376, at the Ankeny Campus.

Lady Bears Basketball Team Has Excellent Season

DMACC—Boone Campus' Linda Knapp (Soph.—Cascade) closed out a brilliant junior college basketball career by being nominated by Region XI coaches for a position on the All-American team.

Knapp, a two-time state scoring champion, was one of two Iowa girls nominated for All-American honors, joining a representative from Kirkwood Community College from Region XI.

Knapp capped her juco career in March when the DMACC—Boone Campus women participated in the Region XI women's basketball tournament in Fort Dodge. The Lady Bears dropped their tournament opener to Kirkwood Community College and finished the season at 12-13. Boone Campus was 10-9 against Iowa junior college competition.

Felicia Murillo (Soph.—West Des Moines) led Boone with 24 points. Knapp added 12 and Paula Kissner (Soph.—Algona) scored 11 points. Kelly Hartzler (Fresh.—Ogden) and Deanna Hoch (Fresh.—Lacona) had eight points each and Karla Zanker (Soph.—Boone) and Tara Cook (Fresh.—Runnells) added two points each.

Three members of the Boone team, Knapp, Murillo and Kissner, were selected to participate in an all-star game held in conjunction with the

tournament. The trio helped their team to victory with 21, 12 and five points respectively.

Knapp's tournament play earned her a berth on the all-regional team. Murillo missed a first-team berth by just one vote and was subsequently named to the second unit.

Post season statistics showed Knapp as the state's leading scorer with a 21.9 average on 481 points during the season. She ranked second in rebounding with 251 boards for an 11.4 average and was fourth in field goal percentage connecting on 180 of 344 field goal attempts for 52 percent. Knapp also ranked eighth in free throws percentage (199-of-166 for 72 percent.)

Murillo finished eighth among the state's leading scorers, collecting 336 points on the season for a 15.3 average. She ranked sixth in rebounding with 180 boards for the season and a per-game average of 8.2. Murillo ranked 10th in field goal shooting and 12th in free throw shooting. She finished the season with 117 field goals in 236 attempts for 50 percent and was 106-of-150 at the free throw line for 70 percent.

Other Boone players and their scoring and rebounding averages included Kissner 9.8-7.0, Hartzler 6.2-0.9, Cook 4.0-1.1, Cathy Fyler (Fresh.—Madrid), 2.3-1.0, Brenda Buss (Fresh.—Glidden, 1.0-1.0,

Linda Knapp

Jayne Grote (Fresh.—Wall Lake), 0.4-2.3 and Zanker 0.4-1.0.

Teamwise Boone averaged 63.5 points per game and allowed the opposition an average of 61.0 points per contest. The Lady Bears shot 45 percent from the field, making 528 field goals in 1,175 attempts, and 63 percent from the foul line, hitting 324-of-511. Boone averaged 37.5 rebounds per game.

Looking very pleased to have the mural finished are Mark Pritchard and Mary Beth Schroeder.

Mural Nearly Completed

By ROB HOOK

The new mural, which took many weeks of work and cooperation from the DMACC Boone Campus painting and drawing students, has finally reached completion.

The painting covers a large portion of the north wall in the student lounge, and features a computerized

and a normal depiction of a wave. The painting is highlighted by a blue stripe around the entire project.

The project costed approximately \$235 to complete, along with many hours of labor and steady hands.

The mural project was supervised by Mary Beth Schroeder, art instructor.

Japan-China Tour

By ROB HOOK

All DMACC students and faculty are invited to join a group touring Japan, Hong Kong, and the People's Republic of China Friday, July 26 - Friday August 16, 1985.

Highlights of the trip will include an eight day stay in Japan, with visits to museums and factories, such as a robot factory, a winery, and a silk-making factory.

Tokyo is also on the itinerary, where the group will visit the World Science Exposition. Also of interest, the group will experience the beautiful scenes of Kyoto, the ancient capital of Japan.

Hong Kong, a very famous trading and shopping center in the world, will also be toured.

During a four-day stay in the People's Republic of China, the group will visit a commerce, two cultural shows, temples, and parks.

The trip is available for \$2,495, with a down payment required. For more information, contact Michael D. Delaney, DMACC, (515) 964-6310, or call Deb Radcliffe at (515) 277-3279 evenings and weekends.

Your name.

That's not too much for your country to ask

A name and a few more facts. That's all we're really asking of the two million young men who will turn 18 this year. After all, there's no draft. So if someone you know should be registering, remind them that it only takes five minutes at the post office. And, it helps keep our country strong.

Register with Selective Service.
It's quick. It's easy. And it's the law.

"Arts Alive" Has Good Response From DMACC And Community

By ROB HOOK

"Arts Alive" may have brought about a renewed interest in the arts during the event held April 23-24 at Boone Campus.

The festival included photography, music, drama and speech, and art, which included painting and drawing.

Included in the three days of activities were film festival, sculpture demonstrations, reader's theatre, photography slide-tape show, individual speech events and a drama performance.

The idea for such an event, was coordinated by Dr. Bea Clupper.

Since there is no full-time drama instructor on the Boone Campus, several persons felt it would be a

good idea to try and spark interest in the arts both on campus and in the community.

The displays were set up on the main floor, in the lobby, student lounge, and the library.

There was a good response from students and community members, according to Clupper.

Clupper was assisted in the planning by Mary Beth Schroeder, art department, Bob Person, photography, and Owen Jordahl, speech. Also helping were several students.

This was the first time the Boone campus has hosted such an event, and hopefully it will be presented again next year.

Looking Good

News Briefs

GPA

The GPA for the Dean's List is 3.5, not 3.250 as was incorrectly stated in the February issue of The Bear Facts. The Bear Facts staff regrets the error.

Ledges

Persons are reminded certain keg beer regulations and other state laws are in effect at the Ledges State Park, according to Dick Kaduce, park ranger.

If persons have questions regarding responsibilities of conducting a kegger at the Ledges, they may phone Kaduce at 432-2730 or 432-1852.

Book Buyback

Spring semester book buyback will be held at the Boone Campus Bookstore Friday, May 3 and Monday, May 6 from 9 a.m. - 1 p.m. each day, according to Joyce Alcorn, Bookstore supervisor.

A listing of the textbooks the bookstore will be needing for spring semester is posted in the bookstore. Included on that list are the authors, publishing companies and prices you will be paid for your used books.

Mark your calendars now! These are the only two days you will be able to sell your books this semester.

Dr. Clupper

Dr. Beatrice Clupper, chair, communications—humanities at Boone Campus, chaired a session, "Getting the Surface: Teachers, Tutors and TA's," at the annual convention of the Conference on College Composition and Communication March 21-23 in Minneapolis.

Also attending from DMACC were Cynthia Cordes, Dr. Charles Kostelnick and Jim Stick.

Enjoy summer vacation!
